

## Homeschool Press Newspaper Subscription

We are proud to announce the distribution of a quarterly printed newspaper to be published by and about homeschoolers in the Southwest Missouri region beginning in September, 2010. This tabloid-format 11x17 paper will contain news, event listings, artwork, features and columns pertinent to our home education lifestyle.

Yearly subscriptions (4 issues) are available now at a “founding subscriber” rate of \$10. After September 1, the regular subscription price of \$15 per year (4 quarterly issues) will apply. We also have a “refer-a-friend” option which allows each regular subscriber to extend their subscription term. You will get one additional quarterly issue added to your subscription for each friend who purchases a new subscription (at either the introductory or regular rate).

To subscribe, please fill out the form below and mail with your check to:  
Ozarks Area Unschoolers Homeschool Press
