Get a jump-start on the convention and attend the New Home Educator's Workshop. How do I get started? Where do I get curricula? How much does it cost? What are the requirements? What does it look like? Answers to these questions and more make up our New Home Educator's Workshop.

This is the starting place for new homeschoolers. This two-hour session will not be offered during the convention.

New homeschoolers who attend this session may purchase a convention pass at pre-registration prices the night of the event.
